

Building Better Buildings

Building Performance Evaluation: Understanding the Performance Gap

Innovate UK

When: 23rd September 2015

Where: Manchester School of
Architecture

Time: From 09.30 - 12.30pm

Innovate UK, in collaboration with Zero Carbon Hub, Constructing Excellence and CITB, are running regional sessions to demystify the Performance Gap; and highlight the latest learning from three local and non-domestic projects, in the Building Performance Evaluation programme.

Hear from our expert speakers on cutting edge research and knowledge on this important topic.
